Dear Families,

Welcome to the Aprende Academy @Doral Red Rock family! My name is Amy Ciarolla (the children call me Mrs. Ciarolla) and I will be your child's teacher for the 2019-2020 school year. **Our first day of school is Tuesday, September 3<sup>rd</sup>.** This will be my 19<sup>th</sup> year teaching pre-kindergarten and my fifth year with Aprende and Doral Academy. I absolutely love being a part of the Doral Red Rock family! Ms. Holly Cruz will be the assistant teacher in our class. This will be our fourth year working together. Ms. Cruz and I have a year planned with many fun learning opportunities and experiences. The emphasis on arts integration, e.g.: visual media, music, dance, and theater increases cognitive, emotional, physical and social development as it enhances math, science, reading, writing, and language. Music and art play a huge part in my life and I cannot wait to share this passion with my students! I offer a child centered classroom with designated areas of study that will evolve and change throughout the school year to ensure that students stay challenged and engaged. We will dive more into learning philosophy and curriculum at our Curriculum Night (after school has begun).

We will be having Open House/Meet the Teacher on August 9<sup>th</sup> between the hours of 1:00 and 3:00 p.m. I will be sending out the dates for Parent Orientation (parents only) and Curriculum Night once the dates are finalized. I have attached our school calendar, uniform flyer, daily class schedule, carpool procedure, and the parent handbook. Please review the handbook and return the last page to me. You may bring it to Open House or email it to me. Also, for those of you who like to get a head start on their school supply shopping, here is a list of items needed for the school year. Please bring these items to Open House OR to Parent Orientation night which will take place before school starts.
