

## About the ONLINE/HANDS-ON EDUCATIONAL PROGRAM

The ONLINE/HANDS-ON EDUCATIONAL PROGRAM will provide the same curriculum program and instruction as all Aprende Pre K classroom locations.

The lessons and extension activities will be prepared and shared to each family in monthly, weekly and daily lesson plans, assignments and activities to better allow for family scheduling flexibility.

1 newsletter per month (overview of lessons and themes)

1 lesson plan per week (all the week's core lessons)

3 zoom live instruction lessons per week (incl. circle time activities and show & share)

2 videos per day (story, learning activities, extensions)

+many additional video links to songs, educational learning, etc

The variety of methods allows for better family scheduling and keeps the student interested.
